We are here to guide you, whether you are planning a simple burial or cremation, a traditional funeral or a personalized celebration of life.

We believe in our community and want to shape its future together. Eligible members receive the ES-01 discount once, either when prepaying or at the time of need. We also work with community partners to expand membership benefits.

Our team is here for you.

Les décisions de fin de vie peuvent être difficiles, même lorsqu'on planifie plusieurs années à l'avance. Au moment du décès, de nombreuses décisions doivent parfois être prises rapidement.

Notre équipe vous accompagne dans ces moments difficiles, que vous souhaitiez une inhumation ou une crémation simple, des funérailles traditionnelles ou une célébration de vie personnalisée.

Nous croyons à notre communauté et souhaitons bâtir son avenir ensemble. Les membres admissibles bénéficient du rabais sur les services professionnels ES-01 une seule fois, lors d'un contrat prépayé ou au moment du décès. Nous développons également des partenariats communautaires pour élargir les avantages offerts aux membres.

Our Services

From simple cremation to traditional funerals and personalized celebrations of life, our team can help you create a meaningful tribute. We assist with immediate arrangements, benefit applications, notifications, clergy and celebrants, memorial products, cemeteries and monuments.

Our services combine traditional care with modern options, including hot-food catering and digital memorials. We work with experienced partners to support your family before, during and after the service.

We offer a world-class aftercare solution called Cadence, along with monuments and inscriptions for your convenience in addition to our modern offerings and catering services.

The Cooperative Membership

We are a community-owned cooperative. Members help shape our future by participating in annual general meetings and standing for election to the board, subject to the cooperative's bylaws. Membership also provides the specific benefits listed below, including a discount on ES-01 Professional Staff Services. The discount does not apply to the entire funeral bill.

Membership costs \$25 once. Eligible members receive one standard guest book and one round candle. When a package includes these items, credit \$55 for the book and \$45 for the candle against its price, once per funeral arrangement. A premium guest book receives the \$55 standard-book credit; any upgrade remains payable. Items not included in the package are provided separately at no charge.

Membership is not required to receive services.

At-need benefits apply when the deceased was a member at the time of death. A member may use the ES-01 discount once, either on a prepaid contract or on an at-need contract. A discount applied to a prepaid contract is not applied again at death. Changes to future benefits do not alter benefits already agreed to in a signed contract.

- **Discount: 20% off ES-01 Professional Staff Services** only. At the listed \$1,000 price, the saving is \$200 making the price \$800. *Other services, facilities, vehicles, merchandise, disbursements and taxes are excluded from this percentage discount.*
- **Free Candle and Standard Guestbook**
- Access to **Legacy Planner for Pre-Need Arrangements at no cost** – a savings of \$195.
- Annual General Meeting: Members may attend, vote and contribute to the direction of the cooperative, subject to its bylaws.

Green Burials & Cremation

Our Kirkland Lake location is pleased to be recognized by the Green Burial Council as a green Funeral Home. Our Green service packages below provide different options that can be tailored to honour and celebrate the life of your loved one in a unique and meaningful way.

What is a Green Burial?

We define "Green Burial" as a way of caring for the deceased with minimal environmental impact that aids in the conservation of natural resources, reduction of carbon emissions, and the restoration and / or preservation of habitat. A Green Burial means placing your loved one in a biodegradable casket, with no outer liner or vault and no formaldehyde-based preparation of the body.

Can I have a Green Burial?

Yes. We are the only Green Burial Council certified Funeral Provider in Northern Ontario. This means we meet all the requirements set out for funeral homes by the council. A green burial can include a funeral service and visitation, with an appropriate casket and preparation methods.

Green Embalming costs \$250 in addition to the Decedent Care charge to offset the cost of these specialty chemicals.
Green Embalming GR-001

Can I have a Green Cremation?

Yes. As with a green burial, you may choose a full service or a simple memorial service. Our funeral directors will provide you with options that align with the green burial council requirements.

Casket Customization

Many of the caskets we carry allow for customization in a number of ways. Some caskets allow for custom corners that represent someone's life and be a last token for a family to have a keepsake if they choose.

Some caskets can also be customized to express the religious or spiritual beliefs of your loved one.

Indigenous and Métis Expressions - Included at No Cost

We recognize the importance of blankets and symbolism to First Nations and Métis peoples of Canada. It is customary for Indigenous people to use blankets for ceremonial purposes.

This is included at no cost in most caskets by Northern Casket. Northern Casket is the provider of this kit and it is sized for most of their products. A funeral director will provide guidance on availability.

Christian and Catholic Expressions - Included at No Cost

For Christian and Catholic families, included at no cost with any casket that has an interior; we are proud to offer a hanging cross or crucifix and if part of your loved one's faith tradition a rosary.

Batesville LifeStories Memory Frame - \$215

Many Batesville caskets allow for a special and deeply customized memory panel that can be placed in the interior cap-panel. They can be customized with photos, backgrounds and religious or cultural symbols.

A funeral director will explain which caskets accept a Memory Frame and the required lead time.

Guarantees

SERVICE SATISFACTION GUARANTEE

Our staff is courteous and understanding. Our facilities are comfortable and immaculate. Our services are handled with dignity and respect. We promise to do whatever it takes to ensure you're satisfied. If our attempts to resolve the issue are not to your complete satisfaction, we will reduce or eliminate the charge. We are the only funeral home in the area to offer this guarantee.

NO HIDDEN FEE GUARANTEE

Our No Hidden Fee Guarantee means that we explain the services, merchandise, taxes and third-party charges in your written estimate and contract. We identify any estimated charges and explain their basis before you agree to proceed.

The agreed price applies to the services and supplies described in your signed contract.

Third-party charges may include cemetery fees, newspaper notices and honoraria. Where an amount is not yet confirmed, we identify it as an estimate. Requested additions or changes are explained and recorded in writing, including their cost. Statutory rights and the terms of a guaranteed prepaid contract continue to apply.

Payment, Financing and Funding

For services at time of death:

Payment policy: A deposit of 20% of services and merchandise, plus full payment of disbursements, is due when the contract is signed. The balance is due within 30 days. After that date, overdue principal bears simple interest at 3% per year (0.25% per month), without compounding. Interest is not charged on interest. Accounts still unpaid six months after the contract date will be referred to a collection agency. Collection or court costs are payable only where authorized by law and the contract.

Financing through Flexiti or assistance from government agencies may be available to eligible applicants, subject to their terms and approval.

Accepted payment methods: cash, cheque, money order, bank draft, debit, Visa and Mastercard.

Pre-payment in advance of need:

For services that are being arranged pre-need, we offer two funding options when prepaying services or supplies:

Trust: You prepay for the agreed services and supplies, and we hold and invest the funds in trust as required by law until they are used or refunded. Your contract explains the trust arrangements, payment schedule and your right to information about the funds.

Insurance: An insurance or annuity policy may fund the services and supplies in a separate prepaid funeral contract. Payment options depend on the insurer. The policy and funeral contract have separate terms and cancellation procedures; cancelling one does not necessarily cancel the other. Your statutory rights remain unchanged.

Guarantee and changes: For guaranteed prepaid services and supplies, TFC honours the agreed guarantee when the contract's payment terms are met. Changes must be requested by an authorized person and documented in writing. We explain the price of additions or substitutions and any effect on funding before you agree. A change does not automatically void the guarantee for unchanged services and supplies. Surplus funds are dealt with as required by law and the contract.

Cancellation and refunds: An authorized person may request cancellation in writing. Refunds, deadlines and any permitted deductions are governed by the FBCSA, its regulations and the contract. We provide an itemized explanation of any deduction. Nothing in this price list limits statutory cancellation or refund rights. Additional information about payment, financing and funding options is available upon request.
